There are many researchers that have listed this Thomas Gore as our Thomas Gore, son of James and Rebecca Ross Gore and he isn't our line.

I and my 2 cousins have researched this line of Thomas Gore 1807-10 - bef 1880, and Sarah Clowes of Loudoun Co. VA. His son William Gore and Sarah Savin whose son was Thomas Gore who married Achsa Whitacre and they left Loudoun Co. VA and went thru OH to WI where he died.

Our Thomas and Priscilla Smith Gore went from VA to Tenn and on to Union Co. IL. Priscilla died in Union Co. IL but not sure if Thomas died in Tenn or IL? For sure.

I did a whole notebook on that family and sent the book to the library in Winnabago Co. WI since that is where the family mostly were. Just kept sketches of the family myself and this is what is the short version of them.

Hi Holly,

I came across your Coles Family site on rootsweb and ran across the info on Thomas Gore and Sarah Clowes and noticed you have 10 children listed but no William Gore. I had located info that William Gore b. 4 Jun 1775 Loudon Co. VA md Sarah Savin and died in OH. Also located him to be the son of Thomas Gore and Sarah Clowes. William and Sarah had a son Thomas Gore who md Aschah Whitacre and they died in WI. Which I believe to be right.

Several people on the internet have Thomas Gore who md Aschah to be the son of James and Rebecca Ross Gore of Rockbridge Co. VA so I was wondering if you had done any research on these people at all.

Just wondering what your thoughts are on this.

Gladys

Hi Cathy,

I located your family site on rootsweb today and was wondering if you have actual proof that Thomas Gore of WI is the son of James and Rebecca Ross Gore?

I have done a lot of research on that Thomas as has some others and we have all found that Thomas of WI was a son of William Gore and Sarah Savin and William was the son of Thomas Gore and Sarah Clowes, and That Thomas was son of JOHN Gore. Absolutely no connection to James Gore and Rebecca Ross of Rockbridge Co. VA. that we have been able to find.

Although James and Rebecca did have a son Thomas Gore born ca 1805-7 in Rockbridge Co. VA and believe he was the one that md Priscilla Smith in 1827 Montgomery Co. VA and know Thomas was in Rockbridge Co. VA in 1840 when his fathers estate was last settled but after that have not been able to locate him.

We believe there were two Thomas Gores, one in Rockbridge and one in Loudon Co. which is where the one in WI that md Achsah Whitacre was from. Even the info in WI listed Thomas as son of William and Sarah Savin so how everyone thinks he is son of James and Rebecca I haven't come across as yet.

Just wondering what your thoughts were on this.

Gladys

Hi Cathy,

I located your family site on rootsweb today and was wondering if you have actual proof that Thomas Gore of WI is the son of James and Rebecca Ross Gore?

I have done a lot of research on that Thomas as has some others and we have all found that Thomas of WI was a son of William Gore and Sarah Savin and William was the son of Thomas Gore and Sarah Clowes, and That Thomas was son of JOhn Gore. Absolutely no connection to James Gore and Rebecca Ross of Rockbridge Co. VA that we have been able to find.

Although James and Rebecca did have a son Thomas Gore born ca 1805-7 in Rockbridge Co. VA and believe he was the one that md Priscilla Smith in 1827 Montgomery Co. VA and know Thomas was in Rockbridge Co. VA in 1840 when his fathers estate was last settled but after that have not been able to locate him.

We believe there were two Thomas Gores, one in Rockbridge and one in Loudon Co. which is where the one in WI that md Achsah Whitacre was from. Even the info in WI listed Thomas as son of William and Sarah Savin so how everyone thinks he is son of James and Rebecca I haven't come across as yet.

Just wondering what your thoughts were on this.

Gladys

Hi Beth,

I have been working on the James Gore and Rebecca Ross family for over 35 yrs and still have a problem with Thoms Gore of WI. I have done extensive work on that family and what I found was that Thomas was the son of William Gore and Sarah Savin and William was the son of Thomas Gore and Sarah Clowes and That Thomas was son of John Gore. Also James Gore who has been doing Gore research for a lot longer then I have had come to this conclusion as well.

I know there are several on the internet that have listed Thomas of WI to Thomas and Rebecca Ross Gore but just believe that isn't right. So I was wondering if you had actual proof that the Thomas in WI was the son of Thomas and Rebecca Ross Gore as I haven't located any?

There appears to have been two Thomas Gores, one in Loudoun Co. VA and the one in Rockbridge Co. VA. I know that Thomas was alive in 1840 but haven't located him after that. Am pretty sure Thomas of Rockbridge Co. was born abt 1805-7 but again not positive but do believe he was the one that md Priscilla Smith in 1827 in Montgomery Co. Priscilla Smith was dau of Abraham Smith and Ann Gore, dau of Michael and Priscilla Sayers Gore so all that ties in. Michael was father of James Gore who md Rebecca Ross. It is believe he had 2 children and maybe more, but only Ann and James are known.

Just curious as to your thoughts on this.

Gladys

Hi Gladys,

I've gotten the info from different people on the internet, such as yourself. What documentation do you have? I would pay for copies and mailing. Please reply to my new email address: beth062371@cs.com.

Thanks,

Hi Beth,

Most of the research I did on Thomas Gore in WI I sent to the county library there as found wasn't connected to our Gores. However can't remember if sent to Pierce or Winnebago Co. WI as had been a while ago that I did that. I should have kept a copy but didn't. Most of what I have is census records of Thomas Gore (not sure which one).

1830 Montgomery Co. VA pg 67: Thomas Gore males to 5-1 30/40-1 females to 5-1 20/30-1

1840 not located in VA or Oh index (but our Thomas was in Rockbridge Co. VA in 1840 land record)

1850 Columbiana Co. OH pg 358: Thomas Gore 40 Va, Achsa 27 Va, Jonathan 16 Oh, Jacob 11 Oh, John 9 OH, George 8 Oh, Phebe 4 OH, Moses 2 OH.

1860 Waupaca Co. WI pg 703: Thos Gore 54 VA, Ayie? 49? Oh, Jonathan Gore 27 OH, Jacob 21 Oh, John 19 Oh, George 16 OH, Elizabeth 14 Oh, Chas 10 OH.

1870 Index of WI listed Thomas Gore Winnebago co. WI pg 342: age 63 VA, Esther 65 PA, Jonathan W. 38 OH, Charles 18 Oh and next door George Gore 26 OH, Emaline 27 PA.

1880 Winnebago Co. WI ed 200 she 10 li 27: Thomas Gore 73 Va, Charles 29 OH son, Eliza 27 Wi wife, Achsa 1 Wi dau. Close by son John L. and George.

1900 no Thomas Gore listed in soundex of WI. Some of his children were there.

James Gore said Jonathan was living in Cemeron Co. PA (actually Cameron Co.) with half brother George W. Gore in 1900, (was this the Jonathan Gore or was there another Jonathan Gore from VA that went to PA?)

There was a Thomas Gore listed in Rockbridge Co. VA Personal Property Tax list 3 Mar 1817 with 1 horse and 23 Mar 1819 with one horse and 29 Feb 1820 with one horse (but don't think located him in census in 1820 there).

Most proof came from "the Gore Newsletter" that was published and work done by James Gore who has done Gore research for many years and ran his research in the publication. Vol IV #3 Jun/Sep 1996 had Thomas Gore, Sarah Clowes & Their Descendants pg 9 thru 28 and also an article of The Gore Family of Loudoun co. VA pg 3 thru 8. He is very thorough in his research. More in Vol 5 #1 Jan/mar 1997 on Thomas Gore, Sarah Clowes & Descendants (which is listed William Gore and Sarah Savin, which is very pertinent to info on Thomas Gore who md Achsa Whitacre). Vol II # 1 also may have some info on this family.

The Gore Family Newsletter is pub by Jerry Goar, 3262 California St, Costa Mesa, CA 92626-2204 e-mail: lgore@earthlink.net. Was started some years ago by Joyce Gore Locke and taken over by Jerry Goar last few years. If you have Gores in your family this is a very good publication. They cover many Gore families.

ROBERT LEE CHOATE, G. R. S.
274 PROSPECT DRIVE
LEESBURG, VA. 22075

—
GENEALOGICAL RECORD SEARCHER

August 3, 1976

Dear Mrs. Stafford:

Received your letter yesterday and checked at the courthouse to size up the situation relative to the Gore & March research. There are many Gore records, but almost no March data. The Gore records have much valuable genealogical information which you should have to continue your search.

I am not acquainted with Mr. Triplett, of Gore, Va. From my map it appears that Gore is in Frederick County, Va. beyond Winchester. It is probably about 60 miles from Leesburg.

We lived in the Los Angeles area for about 16 years and for the final ten years we lived in Torrance. I spent many hours in the Mormon Genealogical Library on Santa Monica Blvd.

The only March name in the Index of Wills and Index of Deeds was Nancy March. This was in Loudoun Co., Va. Will Book I, p. 2, 11 Apr. 1809, Inventory, and Will Book I, p. 35, 10 July 1809, Account.

I presume that you have the will of Solomon Gore, WB R, p. 205, 7 Apr. 1826. It names the wife and all of the children as stated in your letter.

There are about 36 entries in the General Index to Wills for the period 1757-1946.

(Sic)

The will of Josua^{Gorr}, 6 March 1785, proved 12 Sept. 1785, shows a wife(not named), sons, Thomas, Josua, and Jonathan and Dau. Betsey.

The will of Joshua Gore, Jan. 1830, proved 8 Feb. 1830, shows children: William Gore, Sarah Gregg, Solomon Gore, deceased, Thomas Gore, Joseph Gore, and Ann Lovett. This was probably the father of your Solomon. There was no mention of his wife.

The will of Thomas Gore, 25 Nov. 1789, proved 10 May 1790, shows wife, Anne, ch. Joshua, Mark, Elizabeth, Hannah, and brother, Joshua.

If you wish me to do the search, I will abstract all pertinent genealogical data from the above as well as all other records in the courthouse. The Gore's were in Loudoun as early as 1757(when the county was formed). Prior to that date this area was Prince William County and the records would be in Manassas, and prior to 1730 the records may be in Stafford Co., Va. In the Loudoun Co. Courthouse are lists of tithables for each year from 1757 to 1790. These are very

useful in finding the heads of household and sometimes the sons of the families can be established.

It appears that there were two Thomas Gores who owned land in Loudoun Co. in Oct. 1757.

L.C. DB A, pp. 18-20

11 Oct. 1757. Thomas Gore, of Frederick Co., Maryland, and Rachel, his wife, sells 460 acres of land in Loudoun Co., for £ 100 , to Philip Nolan, of Loudoun Co., Va. on the Potomack River. This land was granted to Samuel Thacker by deed from the proprietors of the Northern Neck of Va., and devised by Samuel to his daughter, Mary, the wife of Nathan Neighbors. The land then descended to said Rachel, and Margaret, and Sarah, her sisters, as daughters and co-heirs of the said Mary Neighbors....

L. C. DB A, pp 34-37

28 Oct. 1757. Thomas Gore, of Loudoun Co., Va., and Sarah Gore, his wife, sells 100 acres of land in Loudoun Co. to Robert Stewkesbury for £18.

Based on what I have seen, I would recommend a search of Loudoun County records on the Gore's as a first measure. Analysis of these results will tell us which way to go from there. The March connection may have been in Maryland, or in Frederick Co., Va., or in Prince William or Stafford Co., Va.

I can do a search of the pertinent Loudoun Co. records and abstract the data for a fee of \$20. This would include will books, deed books, court orders and minutes, chancery court actions, and the lists of tithables.

If you wish to extend your search I can search at the National Archives, the Library of Congress, the DAR Library, the Virginia State Library, and the county courthouses of Prince William, Stafford, and Frederick. Then there are the Maryland records.

I hope the information included here is helpful to your search. If you wish me to do your search, you can let me know.

Sincerely,

Robert L. Choate

Hi Holly,

I came across your Coles Family site on rootsweb and ran across the info on Thomas Gore and Sarah Clowes and noticed you have 10 children listed but no William Gore. I had located info that William Gore b. 4 Jun 1775 Loudon Co. VA md Sarah Savin and died in OH. Also located him to be the son of Thomas Gore and Sarah Clowes. William and Sarah had a son Thomas Gore who md Aschah Whitacre and they died in WI. Which I believe to be right.

Several people on the internet have Thomas Gore who md Aschah to be the son of James and Rebecca Ross Gore of Rockbridge Co. VA so I was wondering if you had done any research on these people at all.

Just wondering what your thoughts are on this.

Gladys

The next statement in this resolution is that in the three children, Thomas Gore and Sarah. Referring back to the first child, John Gore, it was June 23 (1707-1708) who moved from the first to the second. This John did have a younger brother Thomas (1707-1708) who moved from the first to the second. Thomas (1707-1708) was the son of Thomas Gore and Sarah Clowes. The Thomas of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes. The Thomas of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes.

In a continuing comment that I saw on 23 August 1994 with Garrison J. Gore (now deceased) of Clinton, Mississippi, he stated that John Gore of Loudon County, Virginia was supposed to be a son of John and Elizabeth Gore of Maryland South Carolina. According to the Gore family records, John Gore II and Elizabeth Gordon did have a son John (1707-1708) who moved to Loudon County, Virginia and died in Loudon County, Virginia. The John Gore of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes. The John Gore of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes. The John Gore of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes. The John Gore of Loudon County, Virginia, who was married to Sarah Clowes was the son of Thomas Gore and Sarah Clowes.

The Gore Family of
Loudoun County, Virginia

The following is quoted from the opening remarks in a set of genealogical notes entitled "The Gore Family Including Some Descendants of Joshua and Sarah Gore" compiled from family Bible records, county histories, and various other sources of information by W. B. Irwin, Riverside, (California, 13 September 1964:

As a tradition of the Virginia branch of the family relates, the "House of Gore" (the family seat), was in Wiltshire, England, and the family coat of arms pertained to "Gore of Derrymore."

Continuing the tradition: Thomas and Joshua Gore were reputed to have emigrated from Ireland (ca 1670), and settled in Maryland; also, three Gore brothers, Thomas, James and Joshua, were said to have located in Frederick County, Maryland, before the American Revolution, James later moving on to South Carolina. Several Gores served in the Virginia troops during the Revolution.

As a rule I do not place much stock in family traditions, particularly when the event occurred in the distant past such as the tradition above which is over 300 years old. However, Mr. Irwin has suggested a link between the Gores of Loudoun County, Virginia and those of Frederick County, Maryland. According to Volume I, No. 3, page 305 of the newsletter, article on "Maryland Gores" by Ruth Blakely Powers, the progenitor of the Maryland Gores was James Gore I (ca 1680-1717). If the tradition that Mr. Irwin has proffered is true, then James Gore I may have been born in Maryland and may have been the son of either Thomas or Joshua who had emigrated some ten years earlier.

The next statement in this tradition pertains to the three brothers, Thomas, James and Joshua. Referring again to the article by Ruth Powers, it was James II (1707-1784) who moved from Maryland to South Carolina. This James did have a younger brother Thomas (1712-1765) but he did not have a brother Joshua. Besides, the Thomas of Loudoun County, Virginia was born 1726 and was married to Sarah Clowes whereas the Thomas of Frederick County, Maryland who went to South Carolina was married to Elizabeth Allison.

In a telephone conversation that I had on 23 August 1980 with Granville J. Gore (now deceased) of Clinton, Mississippi, he stated that Joshua Gore of Loudoun County, Virginia was supposed to be a son of James and Elizabeth Gore of Maryland/South Carolina. According to Ruth Powers' article, James Gore II and Elizabeth Dowden did have a son Joshua (1744-1820); however, he married 1st to Jane McColpin and 2nd to Frances Osborne. He also left Maryland, moved to South Carolina, and finally settled in Johnson County, Illinois where he died. The Joshua Gore of Loudoun County, Virginia, on the other hand, was born 1738, died 1785, and was married to Elizabeth Clowes. Further, he spent his entire married life in Loudoun County, Virginia. Granville's records are now in the possession of his brother Bill Gore of Natchez, Mississippi. I contacted him by letter on 13 October 1994 and in his response to me dated 8 November 1994, he stated that he had planned to get involved again in family research using the notes of his brother Granville as well as those of Dr. Mary Scott Rowland. Buried in their notes, perhaps, is additional information which will shed further light.

According to Loudoun County, VA Deed Book A, pages 18-20, 11 October 1757, Thomas Gore of Frederick County, MD and Rachel his wife sold 460 acres of land on the Potomac River in Loudoun County, VA for £100 to Philip Noland of Loudoun County, VA. According to Ruth Powers' article, Rachel was the daughter of Nathan Neighbors and Mary Thacker and Thomas (1735-1777) was the son of James Gore II and Elizabeth Dowden and the grandson of James Gore I who was the progenitor of the Maryland Gores. This land was originally deeded to Rachel's grandfather Samuel Thacker by the proprietors of the Northern Neck of Virginia and subsequently devised by Samuel to his daughter Mary who was the wife of Nathan Neighbors. The land then descended to their three daughters, Rachel (wife of Thomas Gore), Margaret and Sarah, who were co-heirs of the deceased Mary Neighbors. The above mentioned Philip Noland is believed to be the father of Pearce Noland who was the second husband of Elizabeth Gore (1761-), the daughter of James Gore II and Elizabeth Dowden.

The above indicates that Thomas Gore (born 1735 in Prince Georges County, MD) apparently lived in Loudoun County, VA long enough to meet and marry Rachel Neighbors whose family had been living there for several years. While Thomas' presence in Loudoun County does not prove that he was related to Thomas (1726) and Joshua (1738) of Loudoun County, it does certainly suggest the possibility. I have attempted without success to trace the ancestry of Thomas and Joshua through old Virginia records. At next opportunity I will try to trace them through old Maryland records.

At the time that the above transaction was made on 11 October 1757, Frederick County comprised the western half of Maryland and included the present day counties of Garrett, Allegany, Washington, Frederick, Montgomery, and part of Carroll. Frederick was formed in 1748 from Prince Georges County which in turn was formed in 1695 from the original counties of Calvert (formerly called Patuxent) and Charles. At the time that James Gore I died in Prince Georges County in 1717 and at the time that his children were born there during the period 1706 to 1716, I believe that they were living in that part of the county which later became Frederick County. This is suggested by the fact that James' widow Mary died in 1769 in Frederick County as well as their daughter Rachael (Gore) Mockbee in 1757. This area might be further refined as being in present day Montgomery County which was formed from part of Frederick in 1748 since their oldest daughter Mary (Gore) Dowden died there in 1794. In other words, if one were to look for the old home-place of James I and possibly the family cemetery, I would suggest that their search be confined to the 22 mile strip which separates the present day counties of Montgomery in Maryland and Loudoun in Virginia, beginning at the Frederick/Montgomery County line where the Monocacy River flows into the Potomac River and working down stream about 22 miles to that point in Montgomery County, MD directly opposite the point where the Virginia counties of Loudoun and Fairfax conjoin. I have written to the Montgomery County, Maryland Genealogical Society and asked them if a catalog of cemeteries has ever been made of this area.

In Volume III, No. 4, page 38 of the newsletter there is an article entitled, "Goresville, Village of the Past" written by Eugene M. Scheel, a special writer for the Times-Mirror. According to this article, Noland's Ferry (possibly named for the above mentioned Philip Noland) was located on the east side of the road between Leesburg and Point of Rocks at about the mid-way point. According to my Virginia state highway map this ferry is no longer there but it would have been very close to the place where the Monocacy River empties into the Potomac River. A paragraph taken from the body of Mr. Scheel's article is quoted as follows:

Thomas Gore of Montgomery County, Md., was the first of the area Gores, marrying Sarah Neighbours after 1764, then living at Noland's Ferry. Their homeplace was originally a 460-acre patent from Catherine Culpeper, Fifth Lady Fairfax, to Samuel Thacker in 1724. He had a daughter, Mary, who married Nathan Neighbours, and they had a daughter, Sarah. Sarah Neighbours sold her interests to Philip Noland in 1764, and Sarah and husband Thomas moved to South Carolina. There, Thomas served in the Revolution, dying about 1780.

The thrust of this paragraph is generally true; however, it was Rachel Neighbors whom Thomas Gore married and he did so prior 1757. Also, Thomas died 18 February 1777 in the Battle of Fort McIntosh.

At this point I need to mention the ancestry of Loudoun County, Virginia. It was formed in 1757 from Fairfax County which was formed in 1742 from Prince William County which was formed in 1730/1731 from Stafford and King George Counties. These latter two descend from those counties in the Northern Neck which lies between the Potomac River on the north and the Rappahannock River on the south.

The earliest mention of a Gore in what is now Loudoun County was on a 1748-1749 Fairfax County list of tithables for the Quaker Upper Parish on which appeared the names of William Dodd and Joshua Gore. At the time of this list, Thomas (1726) and his brother Joshua (1738) were aged 22/23 and 10/11, respectively. It would thus appear that the older Joshua may have been the father of Thomas and Joshua. This is suggested by an indenture made 16 February 1756 between John Tayloe of Richmond County and Joshua Gore Jr. of Fairfax County which was recorded in Loudoun County Deed Book C, pages 476-479 (see page 50, Volume III, No. 4 of the newsletter). At the time of this indenture Joshua Jr. was about 18 years of age. It was common practice in the old Virginia tax lists and censuses to use the designator Sr. and Jr. when there were two individuals of the same first and last names. This designation could refer to a father and son but it was also used to distinguish between an elder and a younger whether or not they were related. Joshua Jr.'s name continued to appear in five Loudoun County documents during the period April 1760 to June 1761. He was listed on the 1761 rent rolls as Joshua without the Jr. designator and in all subsequent legal documents, thus indicating that Joshua Sr. had either died or had left the county. At any rate, the 16 February 1756 indenture does establish Thomas and Joshua as brothers.

The separation in births of Thomas (1726) and Joshua (1738) suggests that there may have been other siblings in this twelve year gap, or, for that matter, prior 1726 and after 1738. There was an item in the Goose Creek Monthly Meeting Notes (see Volume IV, No. 2, page 66) which listed a Jane Gore. The item reads: "Jane Gore (formerly Dodd) makes acknowledgement of her marriage out of unity which is accepted and she is retained a member under care 25 April 1752." The item following this pertains to two other Dodd women and is as follows: "Jean and Margaret (both formerly Dodd) Normand being removed to remote parts disowned 28 January 1769." Eddie Josey-Wilson of Great Falls, Montana has done extensive research on the Gore and Dodd families and according to her notes, Jane Dodd, daughter of William and Catherine, was married to John Gore (1733) of Virginia. The 1733 year of birth fits well between the births of Thomas and Joshua, suggesting the possibility that John may be a brother. Margaret Dodd (born ca 1736), also a daughter of William and Catherine, was married to _____ Norman prior June 1756. Most of the children of William and Catherine Dodd moved to Union County, South Carolina including Jane who married John Gore. This is yet another suggested relationship between the Gores of Loudoun County, VA and those of MD/SC.

I have found five items pertaining to this John Gore which may be helpful to researchers who are working on this line. The first is from Hopewell Friends History (1774-1974), Frederick County, Virginia by John W. Wayland. Page 30 contains an extract of the will of Evan Thomas dated 18 June 1753 and probated 1 April 1755. One of the three witnesses to this will was John Gore. The second item is from Virginia Taxpayers, 1782-1787 by Fothergill and Naugle in which John Gore was listed in Loudoun County. I have considered this John to be Jonathan (1766-1849) who was the son of Joshua (1738), the reason being that John Gore and Jane Dodd were located in South Carolina in 1772. The next two items were taken from Stub Entries to Identifications Issued in Payment of Claims Against South Carolina Growing out of the Revolution:

Issued 15 April 1785 to Mr. John Gore for 11 pounds, 15 shillings, 4 pence, 1 farthing sterling for duty done in the militia in 1781-1782. Principal: £11.15.4 $\frac{1}{2}$; Interest £0.16.4.

Issued the 26th of January 1786 to Mr. John Gore for one pound, eight shillings, six pence, three farthings sterling for 200 pounds of pork supplied the militia in 1782. Principal: £1.8.6 $\frac{1}{2}$; Interest: £0.1.11.

The last item is from Abstracts of Wills, Inventories, etc. of Loudoun County, 1757-1800 which contains on page 30 the will of Jane Eblens dated 30 July 1793, proved 9 September 1793. In this will Joseph Gore is referred to as the son of John Gore. Joseph Gore was also designated as one of the two executors. I am unable to determine if the John in this will is the one who married Jane Dodd.

The European origin of the Loudoun County, Virginia Gores is unknown although there have been a few of its members who have made claims for England and Ireland. The first comes from Biographical History of North Carolina by S. A. Ashe, Volume I, Biography of Joshua W. Gore. In this biography Joshua's father is identified as Mahlon Gore and his grandfather as Thomas Gore, both of which are correct. However, his great grandfather was listed as John Gore who came to America with the Quakers in 1778 from England. The truth is that his great grandfather was Joshua Gore who was born 7 January 1752 in what is now Loudoun County, Virginia. The second item comes from Kentucky Genealogy and Biography, Volume I, page 23, Biography of Joseph B. Gore, which said, "Jonathan Gore's father was born in Ireland, and immigrated to and settled in Virginia, and in 1794 moved to Nelson County, Ky." This has reference to Joshua Gore who was born 1738. The latter part of this quote is not true; i.e., Joshua Gore died 1785 in Virginia and never moved to Nelson County, KY. The third item is also from Kentucky Genealogy and Biography, Volume I. On pages 82-83 is a biography of John B. McKay whose mother was Charlotte Gore, daughter of Jonathan Gore, and granddaughter of Joshua Gore (1738). The article states that Charlotte was of English descent, implying that her immigrant Gore ancestor came from England. The fourth item was taken from History of the Lower Shenandoah Valley, page 759, Biography of Craven Coe. The final sentence on the page reads: "While there is no account of his grandfather Coe, it is understood that he came from England, and that his grandfather Gore came from Ireland. Craven Coe was the son of William Coe and Elizabeth Gore and Elizabeth was the daughter of Joshua Gore (1738). The fifth item did not originate with a descendant but instead came from a Mrs. Browne's diary, "With Braddock's Army" in which she described her voyage from London, England to Virginia in 1754. While on the ship she met "Friend" Gore who told her that he had Quaker friends and relatives in Virginia (Virginia Magazine of History and Biography, Volume 32, pages 310, 314). When one adds to these five items the tradition that I listed at the beginning of this article, the tally of votes is about even for England and Ireland. Quien sabe?

I have made liberal use of the records of certain researchers who are descendants of Thomas and Joshua Gore. These are Bettye (Brisendine) Reid of Riverside, (A); Flora Agnes (Gore) Stafford of Larned, KS; W. B. Irwin of Riverside, (A); Harold William Gore; Henrietta Horn of Santa Ana, (A); Patricia Lynn Gore of Lee's Summit, MO; William Robert Gore of Afton, IA; Marvin D. Gore of Sumerduck, VA; Walter Byrd Gore of Reva, VA; Dorothy Eliza (Gore) Estes of Sperryville, VA; Marilee Jean (Nelson) Wirkkala of Naselle, WA; Dianna F. Bertram of Louisville, KY; Nancy Ann (Willingham) Trotter of Hale Center, TX; and Norma Lee (Gore) Luallen of Alexandria, LA. I have also used the notes of Clydene Cannon of Vallejo, (A); Lilla A. Giblin of Jennings, FL; a 16 page report of Robert Lee Choate, G.R.S. of Leesville, VA who was commissioned in August 1976 by Flora Agnes (Gore) Stafford of Larned, KS (see article in this issue); and a 23 page report of Marty Hiatt, G.R.S. of Lovettsville, VA who was commissioned in June 1995 by Herbert L. "Jack" Gore of Knoxville, TN (see Volume III, No. 4, pages 39-61 of the newsletter).

I have also made use of family Bible records, Quaker Monthly Meeting records, lists of church tithables, federal censuses, state tax lists, Virginia Quit Rent Rolls, courthouse records (births, marriages, deaths, deeds, wills, etc.), obituaries, cemetery records including those of Nelson County, KY which were submitted by Ida Lancaster of Amarillo, TX, and the following printed sources: Encyclopedia of American Quaker Society by William W. For those researchers who are actively working on this family, I suggest that you go through the back issues of the newsletter and review the following pages which are germane to this history:

- Volume I, No. 1, pages 3-5, 47-48
- Volume II, No. 2, pages 39, 83-89
- Volume II, No. 3, pages 85, 87
- Volume III, No. 2, pages 107-108
- Volume III, No. 4, pages 38-61, 90
- Volume IV, No. 2, pages 58-66, 75-85, 96-98

In the article immediately following, "Thomas Gore, Sarah Clowes, and Their Descendants," and in a follow-up article next issue entitled, "Joshua Gore, Elizabeth Clowes, and Their Descendants," I will be unloading the thousand or so descendants that I have accumulated on the Gore family of Loudoun County, Virginia. Since I am not certain of the identity of the father of Thomas and Joshua and since I am unable to determine at this point their correct position of birth in the family, I have assigned the letter "T" for Thomas and the letter "J" for Joshua. Accordingly, the ten children of Thomas are designated as T1 through T10 and the five children of Joshua as J1 through J5 as follows:

- T1 Joshua Gore (7 Jan 1752-Jan/Feb 1830)
- T2 Christian Gore (21 Feb 1754-)
- T3 Alice Gore (19 Feb 1757-)
- T4 Phebe Gore (7 Sep 1759-1804)
- T5 Joseph Gore (25 Oct 1761-1830)
- T6 Thomas Gore (13 Mar 1764-post 1830)
- T7 Amos Gore (1 Aug 1766-post 1830)
- T8 Craven Gore (1 Jan 1769-)
- T9 Israel Gore (18 Apr 1771-)
- T10 Jonas Gore (16 Jul 1773-)
- J1 Hannah Gore (1755-3 Jul 1810)
- J2 Joshua Gore (1758-1842)
- J3 Thomas Gore (1761-1790)
- J4 Jonathan Gore (7 Jun 1766-1 Sep 1849)
- J5 Elizabeth Gore (1769-post 1842)

Immediately following the article for Thomas and Sarah, I have included a two page letter dated 3 August 1976 to Flora Agnes (Gore) Stafford from Robert Lee Choate, G.R.S. of Leesburg, Virginia whom she had commissioned to research the records of Loudoun County, Virginia. Following this letter are sixteen pages containing the results of his research.

There is much more that I could write about the Gore family of Loudoun County, Virginia and I may do so in a future article after I have done some additional research. Even though I am not related to this family (as far as I know), I stand ready to use whatever time and resources at my disposal to help further the identification of the earlier generations and their possible relationship to other Gore families.

Thomas Gore,
Sarah Clowes
and
Their Descendants

Thomas Gore was born ca 1726 and died in early 1773 in Loudoun County, VA. He apparently died intestate as I have never found a will for him. However, in Loudoun County Order Book F, page 31 I found the following item dated 10 May 1773:

On the motion of Sarah Gore, widow and relict of Thomas Gore, dec'd, and her making oath according to law, certificate is granted her for obtaining letters of administration on her deceased husband's estate, she having entered into and acknowledged bond with security as the law directs.

The following extract was taken from Encyclopedia of American Quaker Society, Volume VI, page 494: "Thomas Gore received as member in unity June 26, 1749; and dismissed (disowned) September 24, 1750 for dancing and frivolities." This shows that Thomas was a member of the Quaker religion before his marriage on 29 December to Sarah Clowes (1730, Bucks County, PA-post 1784), daughter of Thomas Clowes and Christian Palmer. Sarah's younger sister Elizabeth married Thomas' younger brother Joshua.

According to Hening's Statutes of Virginia, Volume 8, page 132, Thomas Gore of Loudoun County was paid £4-10 for a rifle gun impressed by the militia in 1757. Six years later in 1763, Lieutenant Gore (this is assumed to be Thomas) of Loudoun County was paid £10-10 for 60 days pay at £0-3-6 per day. According to Register of Ancestors by the Daughters of the American Revolution, Thomas Gore of Loudoun County was listed as a Lieutenant in the French and Indian War. According to Virginia Colonial Militia, 1651-1776 by William Armstrong Crozier, Captain Moss and Lieutenant Gore were listed in 1763 for Loudoun County.

Thomas Gore was listed on the 1761, 1769, 1771 and 1772 Virginia Quit Rent Rolls for Loudoun County. He was also listed on church tithable lists for 1760, 1770, 1771 and 1772 for Shelburne Parish in Loudoun County (The Virginia Genealogist, Volume 17, No. 1, page 11, et al).

Thomas and Sarah had ten children. The first three were born in that part of Fairfax County, VA which in 1757 became Loudoun County. The remaining seven children were born in Loudoun County, VA:

T1 Joshua Gore (7 Jan 1752-Jan/Feb 1830, Loudoun County, VA; buried Lincoln, VA) married 27 Aug 1774 Sarah Hoge (11 Nov 1752, Bucks County, PA-Feb 1814, Loudoun County, VA; buried with husband), d/o Solomon Hoge and Ann Rollings. According Old Churches and Families of Virginia by Bishop Meade, Volume II, page 276, he was a vestryman of Shelburne Parish near Leesburg in Loudoun County from 1771 to 1806. The church in this parish was Episcopal. They were listed in the 1810-1820 Loudoun County, VA censuses. Joshua's will was dated January 1830 and probated 8 February 1830. Six of his nine children lived to maturity and were mentioned in the will: William Gore, Ann Lovett (widow of Jonathan), Solomon Gore (deceased), Thomas Gore, Sarah Gregg, and Joseph Gore. An inventory of Joshua's estate was recorded 10 May 1830. He and Sarah had a total of nine children, all born in Loudoun County, VA:

- T11 William Gore (4 Jun 1775-post 1830) married Sarah _____.
- T12 Nancy Ann Gore (9 Apr 1777-post 1830) married 3 May 1795 at Goose Creek in Loudoun County, VA Jonathan Lovett (died prior 1830), s/o Samuel and Sarah Lovett.
- T13 Thomas Gore (1778-11 Oct 1778). A separate source has listed his date of birth as 11 Oct 1778 and his death as 1778.
- T14 Solomon Gore (21 Oct 1779-9 Aug 1828, Loudoun County, VA) married 25 Oct 1800 in Loudoun County, VA Rachel March (11 Aug 1777, VA-20 Jan 1851, Adams County, OH). According to an abstract of the Goose Creek Monthly Meeting which appeared on page 641 of Henshaw's Encyclopedia of American Quaker Society, "Solomon Gore committed fornication with her who is now his wife for marriage out of unity, 29 December 1800 and disowned 26 January 1801." This statement has bothered some of the descendants of Solomon and Rachel and I would like to insert my comment which will hopefully allay their concern. The words "fornication" and "marriage" are both religious terms and, as such, one must therefore consult the Bible for the meaning of each. A casual reading of 1st Corinthians 7:12-14 makes the matter crystal clear in which the apostle Paul commands the believing spouse to remain with and not divorce their unbelieving mate. The apostle could not make this statement if such an "out of unity" marriage was fornication. It is simply impossible for a Scripturally married couple to commit fornication with each other. From what I can gather from the records, both Solomon and Rachel were single when they married each other and they therefore had God's approval. The Lord's admonition in Matthew 19:6 still applies, "Therefore what God has joined together, let not man separate." The Quakers were wrong in condemning the marriage of Solomon and Rachel and in doing so they went beyond that which was written in Scripture. They were listed in the 1810 Frederick County and 1820-1830 Loudoun County, VA censuses. His will was dated 7 April 1826 and probated 11 August 1828. An inventory of his estate was recorded 11 March 1829. Sometime after his death, probably around 1842, she and at least four of her children moved to Adams County, OH where they were listed in the 1850 census. Solomon and Rachel had eight children all born in VA. The first five were born in Frederick County and the other three were probably born there as well:
- T141 Enos Gore (2 May 1801-Jul 1887, Adams County, OH) married 1st 18 Apr 1826 in Loudoun County, VA Sarah Davis (24 Apr 1807, VA-12 Nov 1835), d/o Howell and Sarah Davis; married 2nd 11 Apr 1837 Rachel Fulton (1800, VA-). Listed in the 1810 and 1840 Fauquier County, VA censuses. Jonas and his first wife had four children. The following paragraph is quoted from The Foothills of the Blue Ridge in Fauquier County, Virginia: "Jonas Gore, shortly after 1816, moved to Upperville where his wife decided she would convert her dwelling house into a tavern or kind of inn. Her husband agreed only if he could print the sign which read: "A house of entertainment kept by Nancy Gore - stop once and you will stop no more." Since Jonas and Nancy did not marry until 1830, I suspect that the 1816 date should possibly read 1836:
- T01 ——— Gore, a daughter (1794/1800-)
- T02 ——— Gore, a son (1800/1810-)
- T03 ——— Gore, a son (1800/1810-)
- T04 ——— Gore, a daughter (1800/1810-)

This completes the descendants of Thomas Gore and Sarah Clowes. The 675 descendants of Joshua Gore and Elizabeth Clowes will be listed in the next issue of the newsletter.

At age 13 years Jacob came to Wisconsin with his parents and settled in Waupaca County. Achsah died on Aug 23, 1866 at age 55 years, 5 months, and 6 days. Thomas died on Jan 25, 1889 at age 83 years. Hi Beth,

I have been working on the James Gore and Rebecca Ross family for over 35 yrs and still have a problem with Thoms Gore of WI. I have done extensive work on that family and what I found was that Thomas was the son of William Gore and Sarah Savin and William was the son of Thomas Gore and Sarah Clowes and That Thomas was son of John Gore. Also James Gore who has been doing Gore research for a lot longer then I have had come to this conclusion as well.

I know there are several on the internet that have listed Thomas of WI to Thomas and Rebecca Ross Gore but just believe that isn't right. So I was wondering if you had actual proof that the Thomas in WI was the son of Thomas and Rebecca Ross Gore as I haven't located any?

There appears to have been two Thomas Gores, one in Loudoun Co. VA and the one in Rockbridge Co. VA. I know that Thomas was alive in 1840 but haven't located him after that. Am pretty sure Thomas of Rockbridge Co. was born abt 1805-7 but again not positive but do believe he was the one that md Priscilla Smith in 1827 in Montgomery Co. Priscilla Smith was dau of Abraham Smith and Ann Gore, dau of Michael and Priscilla Sayers Gore so all that ties in. Michael was father of James Gore who md Rebecca Ross. It is believe he had 2 children and maybe more, but only Ann and James are known.

Just curious as to your thoughts on this.

Gladys

Additions to
 Thomas Gore,
 Sarah Clowes
 and
Their Descendants

The following additions to my article in Volume IV, No. 3 are the result of correspondence between Marjorie S. Green and me which began in July 1996. They pertain to items T11 William Gore and T2 Christian Gore, both of whom are her ancestors; i.e., she has descendancy in two separate Gore lines. Item T11 is on page 10 and item T2 is on page 23.

T11 William Gore (4 Jun 1775-post 1830) married Sarah Savin (1785-1859; buried Union Cemetery at St. Clairsville, OH). They were listed in the 1820 Frederick County, VA census with eight children: a son and daughter (born between 1804 and 1810) and two sons and four daughters (born between 1810 and 1820). The names of the five daughters are unknown. The name of the second son was William (born 1 Jan 1812) who was subsequently listed in the 1850 Columbiana County, OH census. Also listed in this census were Thomas Gore (born between 1807 and 1810) and Abner Gore (born 1815) who are believed to be the brothers of William. These identifications are at best tentative but I feel certain enough to list them below. With respect to the older brother Thomas, he is the same one that I tentatively identified as continuity of Thomas Gore of Montgomery County, VA (see Volume II, No. 1, page 73, item 29). Now that additional information has become available, I now know that there were two Thomas' born at the same time in Virginia - the Thomas of Montgomery County who married Priscilla Smith and the Thomas of Loudoun County who married Achsa Whitacre. All eight children of William and Sarah were born in VA. Since their fourth child was born in Loudoun County, it is probable that the first three were born there as well. Their younger four children were born either in Loudoun County or in Frederick County, having moved to the latter sometime between 1810 and 1820. An extract from the will of William's father which was dated January 1830 and probated 8 February 1830 in Loudoun County, VA states, "... To my son, William Gore, profits on the tract of land he has now in his possession on both sides of Back Creek in Frederick County, VA, 150 acres during his life, and after his decease to my daughter, Sarah Gregg ...". This statement shows that William was still living in Frederick County, VA in early 1830. Since he and his family were not listed in the 1830 Virginia census which was taken in the late spring/early summer, it is possible that they left for Ohio soon after his father's death and were in transit when the census was taken since he was also not listed in Ohio. They were located in Columbiana County, OH as early as October 1833 since the marriage of their son to Louisa Ann Keith occurred at that time. The order of birth for William and Sarah's eight children is arbitrarily listed and the placement of their three sons as the 2nd, 4th and 6th child is a best guess on my part:

T111 — Gore, a daughter (1804/1810-)

T112 Thomas Gore (1807/1810-post 1880) married 1st — by whom he had one son; married 2nd Achsa Whitacre (1823, VA-prior 1880) by whom he had six children. Listed in the 1850 Columbiana County, OH (Hanover Township) and 1880 Winnebago County, WI (Clayton Township) censuses. All seven of his children were born in OH:

- 37 Fanny Gore (1772-1816, Culpeper County, VA). According to a manuscript by Miss Mae Stone, Fanny and her younger sister Margaret were struck by lightning. Margaret was killed and Fanny lay in an unconscious state for sometime before being revived.
- 38 Margaret Gore (1777-7 Jul 1797, Culpeper County, VA). See preceding item regarding the cause of her death.
-

Internal references have already been made to some of John Gore Jr's descendants who have contributed to the assembling of this genealogy. Chief among these is Dolly Farrow Nicol of Dickinson, Texas. 85% of this material was taken from her informative 86 page manuscript Gore & Collateral Lines dated 27 February 1996 from which she has given me permission to use. I have extracted only enough peripheral information from her work to enhance the continuity of John's descendants. Most of Dolly's manuscript is from her own personal research. For the remainder she has quoted her sources which are as follows: Walter Johnson, McCain Jr. of Houston, TX, Mildred Wonn of Owingsville, KY, Minnie Victoria (O'Bryant) Briggs, deceased, Richard Allen Mowery of Las Vegas, NV, Mary L. Jones of Tipp City, OH, Bonnie Kay (Deaterla) Jett of Portsmouth, OH, Helen Brown of Hammond, IN and Benjamin Bernard Cyrus Jr. of Columbus, OH.

I also wish to thank Lowell E. Goar who supplied the information from Bessie Burris Hunt regarding the descendants of Benjamin Franklin Gore Jr. and Evaline Wade which basically comprises the rest of this history. My own contribution has been minimal, being limited to the inclusion of census data and some information on the early generations.

Correction #1

Make the following corrections to my article in Volume II, No. 1, entitled "James Gore (1252), Rebecca Ross, and Their Descendants." Amend item 29 at the bottom of page 73 to read:

- 29 Thomas Gore (1804/1810-) married 31 Jul 1827 in Montgomery County, VA
Priscilla Smith (1800/1810-). Listed in the 1830 Montgomery County, VA
census with two children born in Montgomery County, VA:

On page 74, items 291 and 292 are valid. Delete all other items on this page (293 through 2992).

Correction #2

Enclosed with this issue are revised pages 27 and 28 of Volume IV, No. 4. This correction is limited to items J435 through J4357; i.e., Joshua Allen Gore is to be replaced by J. Allen Gore. Similarity between both individuals will be obvious to the reader. The parents of Joshua Allen Gore (28 Dec 1824-6 Nov 1868) remain unknown.

In the preceeding article by James L. Gore, page 9, Patsy Gore (number 33) married _____ Reynolds. One son: 331 William Reynolds (25 Mar 1780 -)

The database maintained by Lowell Goar shows that Patsy Gore and Mr. Reynolds had two sons, William born 25 Mar 1780 and James Reynolds born 9 Mar 1797.

As the indexing for Jim's article was being completed, I received an e-mail message dated Friday, 04 Apr 1997 from Lois Werline - 3701 Northeast 53rd Street - Kansas City, MO 64119 who is a descendent of Patsy Gore Reynolds and her son, James Reynolds. Lois identified the husband of Patsy as John Reynolds. In a telephone conversation on Saturday, 19 Apr 1997, Lois related that she has documentation showing James to be the brother of William and a son of Patsy and John Reynolds. I felt this would be the appropriate place to add her information to the preceeding article and I quote from her e-mail message:

"We know for sure (from his tombstone) that James Reynolds was born in 1777 and if Patsy were born in 1762 she would have been 15 at the time of his birth (possible but not likely).

Also, we were under the assumption that Patsy and her husband, John Reynolds, died in Halifax Co., VA, although we have never been able to prove this. We have deeds where John Reynolds bought land in Halifax Co., VA in 1795 and sold out in 1804. Perhaps that was when they moved back to Culpeper Co."

Using the numbering system from the preceeding article by James L. Gore, but changing the order of the two sons, we offer these additions:

HUSBAND - Thomas GORE-2430

Info from James L. Gore printed in "The Gore Family Newsletter" Vol II #1.
UPDATE ON THIS FAMILY AND IT IS APPARENT THAT THIS THOMAS GORE IS NOT THE SON
OF JAMES AND REBECCA GORE but William and Sarah, William being son of John Thomas.
This was stated in Vol 5 #1 by James L. Gore after being in contact with
descendants of this family.

Sarah clowes Gore

I was in Madison, WI and worked at the library May 20-23 and did a lot of
census research on this family and have most all them in census of 1870-1880-
1900-1910 and 1920 Winnebago Co. and Pierce Co. WI.

BIRTH: Thomas's birth date listed as 1801/1810. The identity of Thomas of OH
and WI as continuity of the Thomas of VA is based on some logical assumptions
and is at best tentative. Assuming this Thomas is one referred to from VA/OH/WI
he had 3 children by first wife and 6 by 2nd wife. First two born in VA and
last 7 in OH. This Thomas born ca 1804 VA.

MARRIAGE: Stated md 1st Priscilla Smith and 2nd Achsa Whitacre. THIS THOMAS
MAY HAVE MARRIED 1ST TO PRISCILLA SMITH AND 2ND ACHSA WHITACRE IN MONTGOMERY CO

MARRIAGE3: There was one Thomas Gore who md Esther Cook Miller 14 Nov 1867
Winnebago Co. WI (was this the same Thomas?)

DEATH: Listed in 1880 Winnebago Co. WI but not 1900 census.

1830 Montgomery Co. VA, pg 67: 1 Thomas Gore to 5-1 30/40-1 f-to 5-1 20/30-1

OH. (Thomas b. 1810) -Researched Ft Wayne library 26 Sep 1996 - Microfilm M432

#M653-1433 Iowa City library 18 Oct 1996. (Thomas b. 1806)

1870 Index of WI had only one Thomas Gore listed. Winnebago Co. Twp of
Winchester, Winchester p.o. 29 Jul, pg 342, #72/76: Thomas Gore 63 VA 3800-
1100 farmer, Esther 65 PA keep house, Jonathan W. 38 OH farmer, Charles 18 OH

1900 Winnebago Co. WI. No Thomas in soundex right age. Some of his children there. (Will presume he has died after 1880 and before 1900).

There was a Thomas Gore listed in Rockbridge Co. HUSBAND - Thomas GORE-2430

Info from James L. Gore printed in "The Gore Family Newsletter" Vol II #1.
UPDATE ON THIS FAMILY AND IT IS APPARENT THAT THIS THOMAS GORE IS NOT THE SON
OF JAMES AND REBECCA GORE but William and Sarah, William being son of John *Thomas*
This was stated in Vol 5 #1 by James L. Gore after being in contact with
descendants of this family.

I was in Madison, WI and worked at the library May 20-23 and did a lot of
census research on this family and have most all them in census of 1870-1880-
1900-1910 and 1920 Winnebago Co. and Pierce Co. WI.

BIRTH: Thomas's birth date listed as 1801/1810. The identity of Thomas of OH
and WI as continuity of the Thomas of VA is based on some logical assumptions
and is at best tentative. Assuming this Thomas is one referred to from VA/OH/WI
he had 3 children by first wife and 6 by 2nd wife. First two born in VA and
last 7 in OH. This Thomas born ca 1804 VA.

MARRIAGE: Stated md 1st Priscilla Smith and 2nd Achsa Whitacre. THIS THOMAS
MAY HAVE MARRIED 1ST TO PRISCILLA SMITH AND 2ND ACHSA WHITACRE IN MONTGOMERY CO

MARRIAGE3: There was one Thomas Gore who md Esther Cook Miller 14 Nov 1867
Winnebago Co. WI (was this the same Thomas?)

DEATH: Listed in 1880 Winnebago Co. WI but not 1900 census.

1830 Montgomery Co. VA, pg 67: 1 Thomas Gore to 5-1 30/40-1 f-to 5-1 20/30-1
Researched Ft Wayne library 26 Sep 1996 - Microfilm M19 Roll 198.

1840 not located to date. No Thomas in VA or OH index.

1850 Columbiana Co. OH pg 358 83/83: Thomas Gore 40 VA farmer, Achsa 27 Va,
Jonathan 16 OH farmer, Jacob 11 OH, John 9 OH, George 8 OH, Phebe 4 OH, Moses 2
OH. (Thomas b. 1810) -Researched Ft Wayne library 26 Sep 1996 - Microfilm M432
Roll # 669.

1860 Waupaca Co. WI Town of Caledonia 7 Aug Readfield p.off. pg 703 & 225
#2082/1811: Thos Gore 54 Va farmer 1000-200, Ayie? 49f OH, Jonathan Gore 27 OH,
Jacob 21 Oh, John 18 Oh, George 16 OH, Elizabeth 14 OH, Chas 10 OH. Microfilm
#M653-1433 Iowa City library 18 Oct 1996. (Thomas b. 1806)

1870 Index of WI had only one Thomas Gore listed. Winnebago Co. Twp of
Winchester, Winchester p.o. 29 Jul, pg 342, #72/76: Thomas Gore 63 VA 3800-
1100 farmer, Esther 65 PA keep house, Jonathan W. 38 OH farmer, Charles 18 OH
works farm and also #72/77: George Gore 26 OH works farm, Emaline 27 PA keep
house. (Thomas b. 1807) Researched Madison, WI library 20 May 1997.

1880 Winnebago Co. WI. Clayton Twp. Soundex ED 200, she 10, li 27: Thomas Gore

WIFE	Esther Cook MILLER-4446	Yr of Birth

1900 Winnebago Co. WI. No Thomas in soundex right age. Some of his children there. (Will presume he has died after 1880 and before 1900).

There was a Thomas Gore listed in Rockbridge Co. VA Personal Property Tax list as 3 Mar 1817 (1 white male, 1 horse .18 tax) and 23 Mar 1819 (1 white male, 1 horse, .72 tax) and 29 Feb 1820 (1 white male, 1 horse, .18 tax). Not sure this refers to this Thomas, as age would be slightly off. (This one is probably the son of James and Rebecca but not this Thomas).

Marriage record and census records. Not sure if Miller is a maiden name or Cook is?

She was in 1870 Winnebago Co. WI census age 65 but not in 1880 so may have died before 1880.
